

Is it possible to become a member of a Sunday Morning Bible Fellowship group and not be a member of the church?

Yes! We welcome you to become a member of a Bible Fellowship group whether you are a member of this church or not. In fact, many people get to know our church family this way.

God uses a small group of believers to greatly influence our lives.

Through the example of Jesus with His twelve disciples, we see that God uses small groups to more personally inform and encourage us as we walk through life with Him.

The Bible describes how the first Christians at Jerusalem met together in the temple & from house-to-house, showing us that our faith should be shared not only in the larger crowd of Sunday Morning Worship but also among a smaller group of believers.

In Bible Fellowship, we discover the joy of sharing the Christian journey just as Jesus' disciples and the first Christians at Jerusalem did, and we experience the encouragement that comes through relationships among a small group of believers.

As we gather weekly with a group of 10-30 people around God's Word, we learn the way of Christ so that we can walk through life with Him and live out our faith before a watching world.
