While many people claim to know about Jesus, many are in the dark about who He really is. Some might see Jesus as just a person from history, a good man, or a wise teacher but He is much more than that.

At Illumination Station VBS, kids will be challenged to answer Jesus' important question to His disciples, "Who do you say that I am?" As they explore all the ways light brightens, illuminates, reflects, and reveals, kids will discover that Jesus is the light who brings hope to a dark world.

Jesus spoke to them again: "I am the light of the world. Anyone who follows me will never walk in the darkness but will have the light of life." John 8:12
